creative experience

Hencove

2020-present

- **Senior Motion Designer**

Lead production and animation for a variety of motion projects, leveraging market research and cross-team collaboration in a fast paced agency setting with a focus on B2B clients.

- **Graphic Designer**

Developed brand campaigns and created ongoing collateral. Communicated ideas clearly, implemented feedback, and iterated efficiently. Presented work output directly to clients.

Black Math

2019-2020

- **Graphic & Motion Designer**

Designed concepts, color scripts, assets, styleframes, and storyboards based on client scripts and brand guidelines. Researched and designed around seasonal trends for marketing campaigns. Collaborated with other designers and animators to meet tight deadlines and feedback.

RogueMark Studios

2018-2019

- **Storyboard Artist & Project Lead**

Told unique stories in a thoughtful, intelligent, and compelling way. Worked closely with art directors, colleagues, and clients to conceptualize scripts within existing brand guidelines.

- **Production Intern**

Built props, assisted on set, and managed production schedule. Honed written and verbal communication skills. Collaborated closely with colleagues to bring client stories to life.

- **Associate Art Director Track**

Am currently taking on Associate Art Director responsibilities and am on track to step into this role in 2024. This includes providing direction to other animators/designers, articulating concepts, and maintaining a creative vision.

Rhode Island School of Design

2016-2019

- **Resident Assistant**

Acted as a resource and advocate for all students, initiated social responsibility, enforced school policy, bridged communication between student and administration. Engaged with topics surrounding inclusivity and accessibility.

- **Teaching Assistant**

Clarified concepts, answered questions, and provided feedback on assignments. Facilitated communication between student and professor, determined how to promote student progress on an individual basis.
